Vol. XXX No. I

**NEXT EVENTS: Presentation of New Service  
Music for Organ — David Bond, Presenter  
Saturday, February 12 — 12:00 Noon  
First Presbyterian Church, 1 Symphony Circle, Buffalo**

A salad buffet will be available and the building will be open by 11:30 AM  
(Details on lunches can be found at the end of this article.)

Following lunch, David Bond will present a review of newly published service music for the organ. Included will be music from Morningstar Publishers, Paraclete Press, and Selah Publishing. A wide variety of composers will be represented. I will also talk about some 'old friends' (old wine in new bottles as it were!). The program will be held in the choir loft in the sanctuary of First Presbyterian Church, Buffalo, 1 Symphony Circle, and will use the Noehren Organ. There will be opportunity for 'open consoles' on both organs in the church if you wish to try anything. Handouts will be available with information about all of the music featured. Please use the main entrance through the courtyard off of Pennsylvania. There is parking in the lot next to the church.

Lunches will be informal. You can brown-bag it, eat at one of the local restaurants, or order a salad buffet lunch that will be available at the church for \$7 each. Salads will include tuna and macaroni, egg salad, and tossed salad with vinaigrette dressing. If you would like the salad buffet, you will need to reserve it by using the tear-slip at the bottom of this page. **The deadline for lunch reservations is Monday, February 7.** Reservations after that can not be accepted. Coffee, tea, and bottled water will be provided. Please send the reservation form even if you are just attending the workshop, and feel free to contact me ( 884-7250 / dr.bond2@verizon.net ) if you have any questions.
